

CLEAN ROOM WASHER EXTRACTOR

CJW15
CJW30
CJW50
CJW70
CJW100

Features and Benefits

- Single door front load design for lower specification clean room application
- Parts in contact with water made of SS304 stainless steel
- Frequency inverter drive allows variable speed setting
- Heavy duty spring suspension system with shock absorbers
- User friendly programmable computer in English
- Standard cold and hot water inlet valves and one drain valve
- Direct steam injection heating
- Large stainless steel loading door
- Viton flaps cover between outer drum and front panel minimize air contamination
- Automatic soapbox compartments*¹
- Safety door switch
- Out of balance switch for machine protection
- Long lasting stainless steel panels
