

GAS HEATED FLATWORK IRONER

GFR18025

GFR18030

GFR18033

GFR28025

GFR28030

GFR28033

Features and Benefits

- 800mm diameter ironing roll made of SS304 stainless steel
- Available in 2500mm, 3000mm, 3300mm working width from 1 to 2 rolls
- High precision CNC machined rolls and side panels guarantee axes in parallel ensure belts are always on track even at high speed operation
- Main ironing rolls driven by chain system with gradual speed increment between rolls to create stretching effect for better finishing
- Infra gas burner heating roll creates uniform temperature across roll surface
- Inverter drive with speedometer allow operator to adjust and monitor the actual ironing speed easily
- Automatic tensioning system to keep the belts always in optimum condition for best finishing quality after long operation
- Safety guard panel at the feeding entry to stop the machine when activated
- Easy access emergency stop button in case of emergency situation
- Retractable table at loading side to handle small pieces
