

DRY CLEANING AUXILIARY EQUIPMENT

MPB-145

Multi-purpose Ironing Board

- All-in-1 multi-purpose ironing saving space
- Advance computer control system
- Main board made of superior aluminum alloy
- Quick change vacuum suction and blowing
- Water separator for dry steam
- Lighting system for bright and easy operation
- Board heating function improve finishing quality
- Stainless steel spotting arm with spotting gun
- Swinging sleeve board
- High quality steam iron
- Adjustable height to match operator
- Optional built-in steam generator

Vacuum Ironing Board

- Powerful vacuum suction
- Large pedal easy operation
- Swinging sleeve board
- Lighting system for bright and easy operation

TC-147

YS-602

Automatic Garment Conveyor

- Available in O shape, L shape, U shape, or double decker, etc...
- Other hanging pieces (multiple of 14) available
- Remote control
- High speed energy saving motor with gear system

TECHNICAL SPECIFICATIONS

Model	MPB-145	TC-147
Board size	1400mm x 500mm	1400mm x 700mm
Power	0.55kw	0.75kw
Suction pressure	-140pa	-150pa
Blowing pressure	140pa	n/a
Steam inlet*	1/2"	n/a
Steam outlet*	1/4"	n/a
Width	1900mm	1350mm
Depth	650mm	1020mm
Height	2050mm	880mm
Weight	120kg	95kg

* Not applicable to model with built-in steam generator

Model	DZF-3
Power	3kw
Steam pressure	0.3 – 0.6mpa
Steam capacity	4kg/h
Dimension	380mm x 550mm x 720mm
Weight	35kg
Model	YB-01
Power	100w
Plastic bag thickness	0.15mm – 0.3mm
Plastic bag width	<600mm
Dimension	580mm x 800mm x 1760mm
Weight	52kg

Model	YS-252	YS-308	YS-350	YS-406	YS-504	YS-602	YS-700	YS-1008
Hanging pieces	252pcs	308pcs	350pcs	406pcs	504pcs	602pcs	700pcs	1008pcs
Power	0.75kw	0.75kw	0.75kw	0.75kw	0.75kw	0.75kw	0.75kw	1.1kw
Length (O-shape)	2840mm	3538mm	4065mm	4764mm	5990mm	7213mm	8437mm	12600mm
Depth (O-shape)	780mm	780mm	780mm	780mm	780mm	780mm	780mm	780mm

YB-01

Packing Machine

- Simple design easy operation
- Adjustable sealing time
- Adjustable length of plastic bag
- For Polyethylene (PE) or Polupropylene (PP) plastic bag

Steam Generator with Iron

- Safety pressure relief valve
- Pressure controlled to start/stop
- Water level sensor with alarm
- Quick start up operation
